Exhaust Pipe Stretcher - L3440

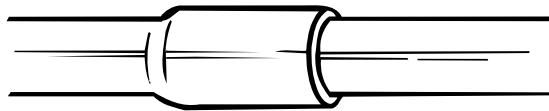

Application:

When you've got two pipes that look like this :-

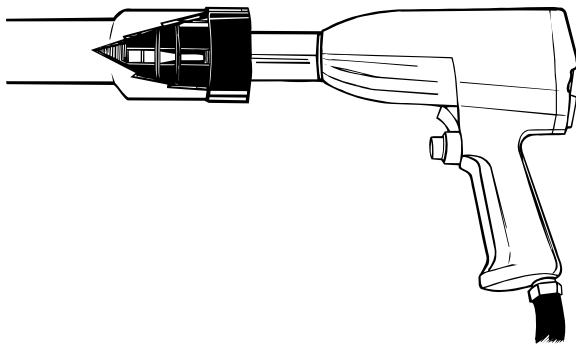

and you want to get them to look like this :-

Use the L3440 on an air gun to quickly stretch pipes. Two collet sets supplied with the tool to fit pipes from 1 5/8" to 2 7/16". Can be used on the car. An inexpensive alternative to hydraulic pipe expanders.

Further additional collet sets are available to extend the range up to 4 1/4" diameter.
